**Last Reviewed:** March 2025

**Review Date:** September 2025

## **Introduction**

Etruscan Primary School is proudly recognised as an Inclusive Attendance school. Our unwavering commitment to attendance centres around child-centric actions, evidence-informed practices, and a shared understanding of everyone's roles and collective responsibilities to promote exceptional attendance.

## **Objectives**

The Inclusive Attendance professional development model fundamentally guides our attendance approach. Comprising six tailored Learning Modules, this model empowers us to deepen our understanding by facilitating continuous professional learning for all staff. Within this model, the four domains of practice ensure the provision of professional learning, professional development, evidence-based practices, and exemplary leadership and management to seamlessly integrate theory into practice.

## **The Importance of School Attendance at Etruscan Primary School**

School attendance is not merely a requirement but a fundamental pillar of education. It plays a pivotal role in shaping academic success, personal growth, and future prospects, making it an indispensable aspect of any educational system. Regular attendance to school can have a significant impact on:

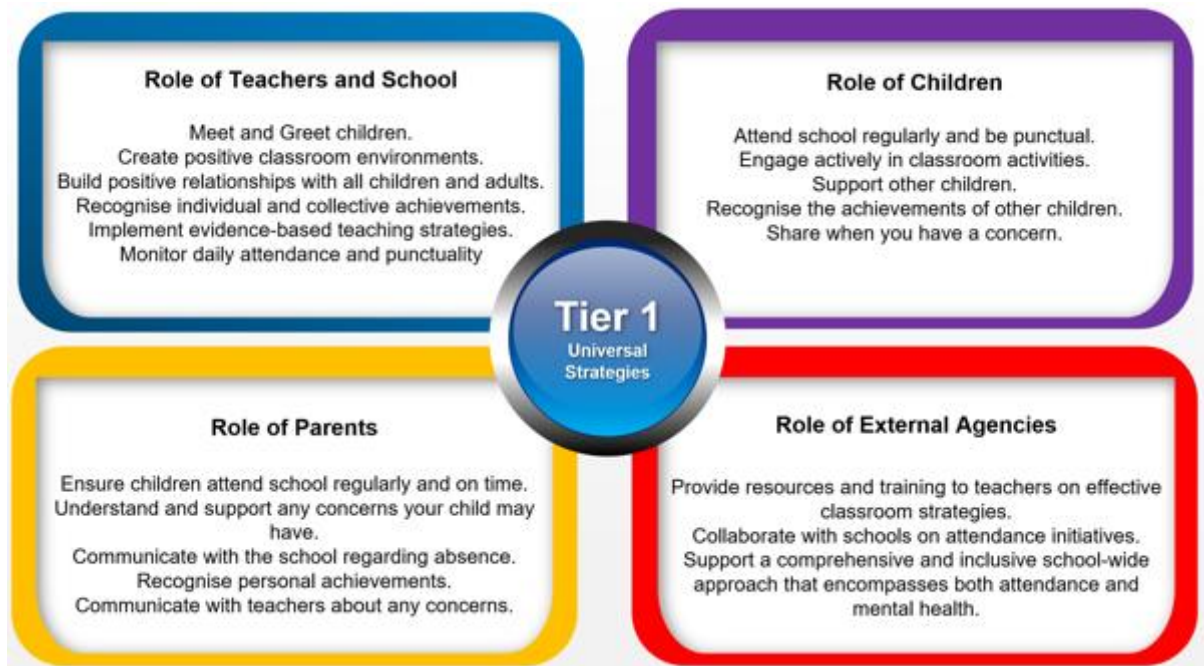

- **Academic Achievement:** Regular attendance directly correlates with academic success. Children who attend school consistently are more likely to keep up with the curriculum, perform better in exams, and improve their life outcomes.

- *Knowledge Acquisition:* School is where children acquire knowledge and skills that are crucial for their personal and professional growth. Missing days means missing out on valuable learning opportunities.
- *Social Development:* School provides a vital social environment for children and adolescents to interact with peers, develop friendships, and learn essential social skills. Consistent attendance ensures children remain connected to their peer group.
- *Building Routine:* School attendance establishes a structured routine in children's lives, teaching them time management and responsibility, which are valuable life skills.
- *Teacher Interaction:* Regular attendance allows for meaningful teacher-child interactions. Teachers can provide personalised support, address questions, and assess individual progress more effectively when children attend regularly.
- *Preventing Knowledge Gaps:* Frequent absences can lead to significant knowledge gaps, making it challenging for children to catch up with missed lessons, potentially resulting in long-term academic struggles.
- *Legal and Parental Responsibility:* Parents or guardians are legally responsible for ensuring their child's regular school attendance. Failing to do so can lead to legal consequences.

### A Multi-Tiered System of Support

To guarantee a comprehensive approach to attendance, Etruscan Primary implement a Multi-Tiered System of Support. A Multi-Tiered System of Support (MTSS) for school attendance involves three tiers of intervention, with roles for teachers, the school, children, parents, and external agencies – including the Local Authority. Data-driven decision-making and training requirements are pivotal to the implementation of this system. The system aligns with the Department for Education's (DFE) "Working Together to Improve School Attendance" statutory paper 2024.

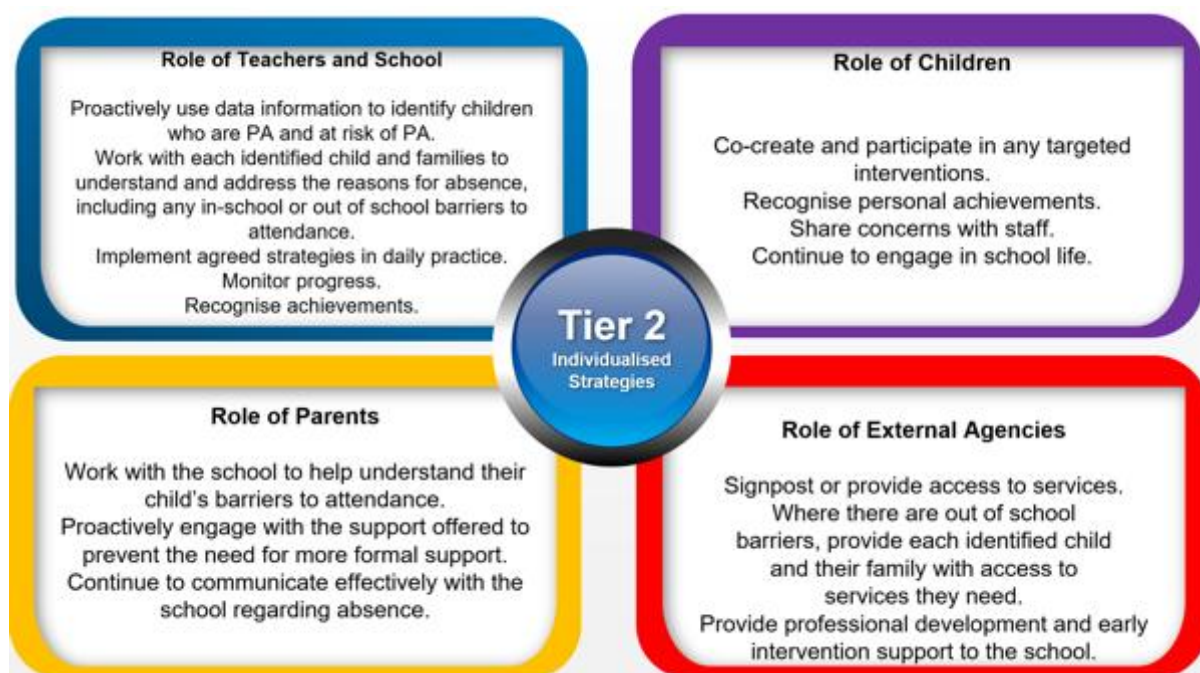

#### Tier 1 - Universal Approach: Establishing a baseline universal attendance approach that benefits all children.

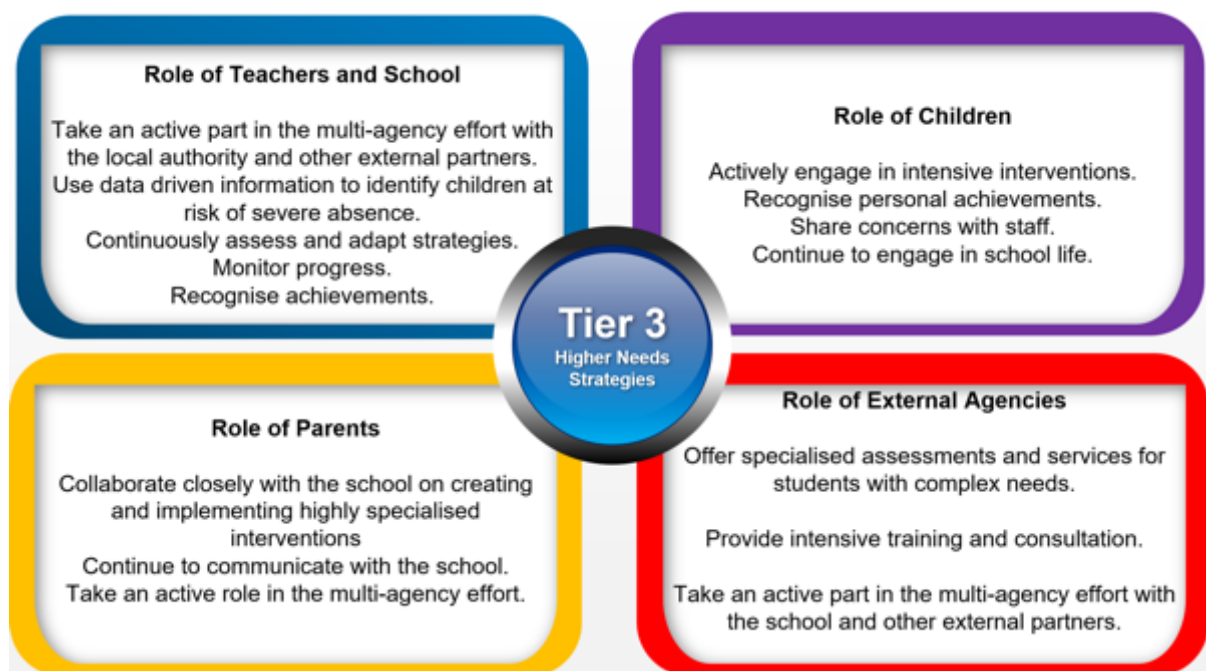

At our school, attendance and punctuality are promoted through a warm and purposeful start to the day. On arrival, every pupil is welcomed personally with eye contact, a verbal greeting and, where appropriate, a positive physical gesture such as a handshake or high-five, helping each child feel valued

and ready to learn. A calm atmosphere is created through the use of soft background music, and classrooms are fully prepared with chairs set out and a Start of Day Activity (SODA) displayed on the board so that learning begins immediately. This consistent routine reinforces the importance of being on time, supports positive relationships, and ensures all pupils experience a smooth and settled transition into the school day.

**Tier 2 – Internal individualised Strategies and Early Help Support: Tailoring strategies to individual needs and providing early help support for persistent attendance challenges.**

**Tier 3 - Higher Needs Strategies Support: Furnishing specialised support for children, young people, and families with complex attendance requirements, including access to external agency support when necessary.**

### Strategies for Using Data to Target Attendance Improvement Efforts at Etruscan Primary School

- The whole school cohort and Individual year groups.
- Individual pupils.
- Demographic groups, e.g., pupils from different ethnic groups or economic backgrounds.
- Other groups of pupils, e.g., pupils with SEND, LAC, and pupils eligible for FSM.
- Pupils who have an allocated social worker or are known to social care.
- A pupil who is absent for prolonged periods, or repeated occasions, which may indicate a safeguarding concern, such as CSE or CRE, particularly county lines.
- Pupils at risk of PA.
- Pupils at risk of SA.

### Etruscan Primary School Recognition-Based Approach

Our attendance philosophy is rooted in a recognition-based approach that recognises both personal and collective achievements. This approach serves to thwart isolation, prevent victimisation, cultivate positive environments, nurture relationships, foster inclusivity, and ultimately cultivate intrinsic motivation among our children, families, and staff.

Each week the class with the most improved attendance will receive a prize from the monopoly board. Each week, a class member will be celebrated in class who has tried hard with their attendance. They will also have a message sent to their grown ups on Class Dojo to recognise this achievement.

### Factors Influencing Attendance

There are many factors which can impact on a child attending school, if you have any concerns you should contact the school as soon as possible:

*Health Issues:* Children may experience physical or mental health issues that lead to absences. Chronic illnesses, infections, and mental health conditions can impact a student's ability to attend school regularly.

*Family Circumstances:* Family-related factors such as bereavement, family illness, or caring responsibilities can result in absences from school. In some cases, students may need to take time off to support their families.

*Bullying and Safety Concerns:* Experiences of bullying, harassment, or safety concerns at school can deter students from attending. They may fear for their safety or well-being, leading to increased absenteeism.

*Socioeconomic Factors:* Families facing financial difficulties may struggle to provide necessary resources for their children to attend school regularly. Issues such as lack of appropriate clothing, food, or a stable home environment can contribute to absenteeism.

*Special Educational Needs (SEN):* Students with special educational needs may require additional support and accommodations to attend school regularly.

*Engagement and Motivation:* Lack of engagement with school activities and a perceived lack of relevance in the curriculum can lead to disinterest in attending. Children who are not motivated may avoid attending school.

*Academic Challenges:* Students facing academic difficulties or feeling overwhelmed by coursework may avoid school. They may fear falling behind or failing in their studies.

*Parental Involvement:* Parental support and involvement in a child's education can positively influence attendance. Lack of parental engagement may lead to increased absenteeism.

### **Supporting Attendance at Etruscan Primary School**

To address any identified attendance issues effectively, Etruscan Primary School will implement a range of strategies such as early intervention, support for vulnerable families, intervention programmes, and creating a positive and inclusive school environment. Understanding the specific factors affecting attendance for individual children and families is crucial for developing any targeted interventions and support systems to improve attendance outcomes.

### The Registration Process.

1. Class teachers are responsible for maintaining an accurate class attendance register, although other adults may complete the register under the teacher's direction (e.g. Teaching Assistants).
2. Registers will be completed by staff members and recorded on Arbor.
3. The attendance register is marked twice a day at the start of the morning and beginning of the afternoon. For each pupil, the register must be marked either as present or absent. Absences will only be authorised by the school when a satisfactory explanation has been given by parents (e.g. illness). Explanation must be in person, by telephone message, by text response or class dojo on the first day of absence.
4. Correct codes for recording attendance and absence are set out in each register. Only the Home School Links Worker enters these codes. Attendance will be recorded using the DFE's statutory attendance codes, please refer to the appendix 5 for coding
5. Morning (am) is counted as one session and afternoon (pm) is counted as another session. Pupil attendance at school is 2 sessions per day.

### Timetable of Registration.

Nursery Reception	Key Stage 1	Key Stage 2
8.45am Morning Registration	8:45am Morning Registration	8:45am Morning Registration
12.45pm Reception Afternoon Registration	1pm Afternoon Registration	1pm KS2 Afternoon Registration

Our Deputy Headteacher has the responsibility for monitoring attendance and highlighting concerns through regular review meetings with the Attendance Officers.

### Punctuality

The Key Stage 2 gate and Key Stage 1 door are open from 8.30am. This is to provide children with a soft landing into school. The Nursery and Reception doors open at 8.45am.

The school day begins at 8.45am.

Registration closes at 9.10am for all pupils. Any child arriving at school between 9.10am – 9.15am will be given a late mark.

The Key Stage 1 and Key Stage 2 school gates are locked promptly at 8:45am; any child arriving after this time must come to the KS1 entrance. If the nursery and reception class doors are closed these children will also need to be taken to the KS1 entrance. This entrance will remain open until 9.20am. Any children who enter through these doors must provide a reason to the member of staff at the door. This will be noted down on arbor.

A late marked will given to children arriving between 9.11am -9.15am.

Any child arriving after 9.15am will be given an unauthorised mark.

If your child is consistently late and getting U codes for unauthorised absence this will result in further action being taken.

### **Authorised Absence**

- An absence for sickness for which the school has granted leave.
- Medical or dental appointments which unavoidably fall during school time, for which the school has granted leave.
- Religious or cultural observances for which the school has granted leave
- An absence due to a family emergency

### **Unauthorised Absence**

- Parents keeping children off school unnecessarily or without reason.
- Truancy before or during the school day.
- Absences which have never been properly explained..
- Arrival at school after the register has closed.
- Absence due to shopping, looking after other children or birthdays.
- Absence due to day trips and holidays in term-time which have not been agreed.
- Leaving school for no reason during the day.

### **First Day Calling and Safeguarding**

If a child is absent from school and the grown up has not left a message telling us why, a member of the attendance team will call on the first day and this will be logged on Arbor. If your child is not back on day 3 of absence a further phone call will be made and again this will be logged on to arbor. If your child is not back in school by day 5 we will call again and we may choose to complete a home visit.

### **Strategy to reduce Persistent Absence**

If your child has 5 days or 3 instances of absence they will be classed as a **CONCERN**. This means that a member of the attendance team will be contacting parent/guardians to discuss the reasons why and what we can do to be supportive moving forward.

If your child has 10 – 14 days absence they will be classed as being at **MODERATE RISK**. A member of the attendance team will invite the parent/guardian to a Supporting Terrific Attendance Review (STAR). This will be held between the child, a member of the attendance team and the class teacher or phase leader. This is a supportive process designed to create an action plan of small measurable steps to success. Interventions to support your child will be put into place. See Appendix 3.

If your child has between 15-18 days of absence they are classed as being at **HIGH RISK**. The parent/guardian will be invited to attend an attendance meeting with the Attendance Lead and Attendance Officer. This is a formal process where an attendance contract will be drawn up. We will also offer additional pastoral support for example an Early Help to support the family.

If your child has 19 days or above absence then they will be classed as **LOCKED IN**. Attendance of these children is monitored with increasing scrutiny. You may also receive a penalty notice warning.

If your child has an instance of absence longer than 5 days, a plan will be put into place by their class teacher and phase lead and with the support of the parents/guardians to help them to catch up on missed learning.

Parents/ Guardians will be notified half termly at the number of days absent that their child has had unless it meets one of the criteria above which will result in them being contacted earlier.

### **Details of the National Framework for Penalty Notices at Etruscan Primary School**

An attendance contract is a formal agreement between parents and the school or local authority to address irregular attendance, providing support as an alternative to prosecution. It is not legally binding but serves as a formal route to secure engagement with support when voluntary early help plans have not worked. An attendance contract aims to offer support rather than punishment.

If voluntary support or attendance contracts are unsuccessful, an Education Supervision Order (ESO) can provide formal legal intervention without prosecution. Before proceeding with an ESO, the school and local authority should exhaust voluntary support options and ensure the order would benefit the pupil and parent. Persistent non-compliance with an ESO can lead to prosecution in the Magistrates Court by the local authority. Upon conviction, parents may face fines of up to £1,000.

Local authorities have the power to prosecute parents for various offences related to attendance: Failure to comply with a school attendance order may result in fines of up to £1,000. Failure to secure regular attendance at school or alternative provision may lead to fines of up to £2,500 and/or imprisonment. Persistent non-compliance with an Education Supervision Order may result in fines of up to £1,000.

### Children Missing in Education (CME)

This policy has been written in accordance to the guidance set out in the Stoke-on-Trent Council Promoting Regular

School Attendance – Children Missing Education (CME) which can be found here: [CME 2022](#)

The sections above explain how the school ensures that all children are accounted for. If pupils are not in school for more than three days and parents/carers are unable to be contacted then the school will first conduct a home visit. Should the child and parents/carers still not be able to be located the school will follow the procedures set out in the Stoke-on-Trent Council Promoting Regular School Attendance – Children Missing Education (CME) guidance. This includes completing one of the two forms found in the Children Missing in Education policy that are then sent to the relevant agencies including the Educational Welfare Service. When pupils move to a new school we always contact the new school to ensure that they have started as planned and to organise the transfer of all relevant safeguarding documentation.

### Leave of Absence During Term Time

As a school we aim to raise attainment and attendance to meet National requirements. The school will only grant a pupil a leave of absence in exceptional circumstances and at the schools' discretion.

Therefore, any absence during term time will not be authorised.

The Law states that parents **DO NOT** have an automatic right to take their child out of school in term-time.

If the leave in term time **is not authorised** and/or exceeds the 5 days or over that may be granted by the Head teacher, then a referral form will be completed for a fixed penalty notice (fine) to be issued. This is per parent per child.

- The first penalty notice issued to a parent will be charged at £160 if paid within 28 days. This will be reduced to £80 if paid within 21 days.
- A second penalty notice is issued to the same parent in respect of the same pupils charged a flat rate of £160 if paid within 28 days.
- A third penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of issue of the first. In a case where the national threshold is met for a third time (or subsequent times) within those 3 years, alternative action should be taken instead. This will often include considering prosecution but may include other tools such as one of the other attendance legal interventions.

**This is solely at the discretion** of the Head teacher and the Governing Body.

Therefore, parents/carers are requested to apply for a leave of absence during term time and must follow these steps:

An **'Application for leave of absence form during term time'** must be completed at least four weeks before the potential absence. The form is available from the school office.

A meeting will be arranged to see the Education Welfare Officer and a member of the attendance team to discuss the **potential** leave of absence.

Invitations to this meeting will be sent to anyone whom makes an application. If the application is made late the meeting will be held in absences.

This meeting is held to:-

- Emphasise that a leave of absence will impact on achievement and will not be authorized.
- **Advise families that pupils will be taken off roll after 20 school days of absence and would then need to re-apply for a place at this school, should a place still be available.**

Any leave or suspected leave in term time will be recorded as unauthorised (G code)

Any leave or suspected leave in term time will be recorded as unauthorised absence and will result in a penalty notice being issued. It is your responsibility to provide evidence if this is not the case.

### **Removal from roll**

This refers to the process of a child's name being officially taken off the school's register, typically due to extended non-attendance or other circumstances. Elective Home Education (EHE) is an option that some parents choose after removal from roll, where they take responsibility for providing education to their child at home.

### **Involvement of Education Welfare.**

Any child who's attendance is in the 'High Risk' category, will be sent a notice to improve letter through the council who will then monitor your attendance for 20 days. If no improvement is seen, a penalty notice letter will be issued.

A referral will be made to the, 'Severely Absent Monitoring Group' at Stoke on Trent council if your child's attendance is below 50%.

### **Review**

This Attendance Policy will be reviewed annually by the school's governing body to ensure its effectiveness and compliance with statutory requirements. Any amendments will be communicated to staff, parents, and carers as necessary. Each year, Etruscan Primary School review and further enhances attendance practices through dedicated participation in the Inclusive Attendance 7-month development programme. This investment allows us to remain at the forefront of educational change and extends unparalleled support to our children and their families, equipping them with access to the finest possible assistance.

## **Appendix 1: Definitions**

### **Definitions**

In the context of school attendance and education in the UK, the terms "Persistent Absence," "Risk of Persistent Absence," and "Severe Absence" are used to describe different levels of irregular attendance by students. These terms are important for tracking and addressing attendance issues.

#### **Persistent Absence (PA):**

**Definition:** Persistent Absence is a term used to describe a level of student absence from school that is considered to be a significant cause for concern.

**Threshold:** In England, a student is considered to be persistently absent when they have an attendance rate of 90% or below. This means they have missed 10% or more of their school sessions.

## **Risk of Persistent Absence:**

**Definition:** The term "Risk of Persistent Absence" refers to a situation in which a student's attendance is at a level that suggests they are at risk of becoming persistently absent.

**Threshold:** While there is no specific threshold for "Risk of Persistent Absence," it is typically used to describe students whose attendance is consistently low and becoming a concern, as the school communicates to parents in days, we identify 10 days or more as being at moderate Risk of PA and we will follow internal school procedures.

## **Severe Absence (or Severe Persistent Absence):**

**Definition:** The term "Severe Absence" or "Severe Persistent Absence" is used to describe the most serious cases of non-attendance.

**Threshold:** Particular focus and support will be provided to pupils who are absent from school more than they are present (those missing 50% or more of school). These severely absent pupils may find it more difficult to be in school or face bigger barriers to their regular attendance and as such are likely to need more intensive support across a range of external agency partners.

## **Absence Definitions**

- Arrival at school after the register has closed.
- Not attending school for any reason.

## **Appendix 2: Policies and Practice**

This attendance policy operates within the framework of statutory attendance regulations outlined in the Education (Pupil Registration) (England) Regulations 2006 and subsequent amendments. **Etruscan Primary School** adhere to the following key attendance acts in the UK:

*Education Act 1996:* The Education Act 1996 is the primary piece of legislation that sets out the legal framework for school attendance in England and Wales. It outlines the responsibilities of parents, carers, and schools in ensuring regular school attendance. Sections 444-447 of the Act deal with offenses related to non-attendance and penalties for parents and carers.

*Education (Pupil Registration) Regulations 2006:* These regulations specify the procedures for registering pupils and maintaining attendance records in schools in England. They also define the circumstances in which a pupil can be marked as absent or present.

*Education (Pupil Registration) (England) (Amendment) Regulations 2013:* These regulations amended the 2006 regulations and introduced stricter rules on authorizing term-time holidays. Under these regulations, headteachers are only allowed to grant leave of absence in exceptional circumstances.

*School Attendance Code of Practice:* The School Attendance Code of Practice provides guidance to schools, local authorities, and parents on the law and procedures relating to school attendance and absence. It sets out the principles for promoting good attendance and dealing with poor attendance.

*Local Authority School Attendance Guidance:* Each local authority in the UK may provide its own guidance and policies on school attendance. Schools should be aware of and follow the specific guidance issued by their local authority.

*Department for Education (DFE) Guidance:* The DFE periodically issues guidance documents and updates related to school attendance. Schools should stay informed about the latest DFE guidance 2024 and follow any recommendations or requirements outlined in these documents.

*Child Employment Legislation:* Legislation such as the Children and Young Persons Act 1933 and the Children (Performances) Regulations 1968 govern the employment and attendance of children involved in performances, modelling, and other activities outside of regular school hours.

*Children Missing Education (CME) Statutory Guidance:* This guidance outlines the responsibilities of local authorities in identifying and tracking children who may be missing education, including those who are not on a school roll or are not receiving suitable education.

*Section 19 of the Education Act 1996 (England and Wales)* outlines the duty of local authorities in ensuring that suitable education is provided for children of compulsory school age.
