

Nursery - Autumn 1

What is special about me and my environment?

We would like to take this opportunity to welcome you and your child to our Nursery class.

This half term we will be learning about ourselves, our environment and our family. In the first half term of nursery your child will settle into school and get to know their friends.

If you have any questions that you wish to ask, please don't hesitate to come and speak to a member of the team.

Mrs Goodwin - Mrs Heath - Mrs Alcock -

How you can help your child:

To support your child's learning, it is important to encourage your child to become more independent e.g. start to get dressed, put their own coat on, use the toilet and wash their hands.

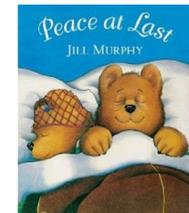

Try to talk to your child and share stories, sing songs and talk about their day.

Class Dojo

Please share photos of your child during the summer by sending us a message on [Class Dojo](#). We would love to see what have you been up to. This is a good opportunity for your child to share and communicate with their friends and talk about their experiences. This could be playing at home, baking a cake, drawing a picture or a visit to the park.

Over the next half term the main text that will be learning about is:

Peace at Last by Jill Murphy.

We will also use a range of other texts to enhance our topic:

["What is special about me and my environment?"](#)

Week 1
